

|                          |                     |
|--------------------------|---------------------|
| Model                    | TRI50N-C            |
| Impedance                | 8, 16, 32 ohm       |
| Nominal Power            | 0.5 w               |
| Maximum Power            | 0.8 w               |
| Resonance Frequency (Fo) | 200 Hz              |
| Response:                | 200~5KHz            |
| S.P.L.:                  | 86±2, 80±2, 77±2 dB |
| Height                   | 7.5 mm              |
